OFFICE AUTOMATION

We work hard to maintain our commitment to clients by providing them with great customer service as well as exceptional quality in all our products. If you're looking to purchase the best Photocopier or Printer for your office, we're sure you'll find it among our wide selection.

CCTV

Surge Business Solutions guarantees our customers purchase only the best quality products. Get in contact with us to find the right CCTV system for your business needs.

TELLECOMMUNICATIONS

No office is complete without telecommunication. Surge Business Solutions provides our customers with the highest quality telecommunication equipment at unbeatable prices, including exceptional service. We're here to help you make the best decisions when it comes to your office supplies, so please don't hesitate to get in touch with any questions.

COFFEE

At Surge Coffee, our relentless pursuit for coffee perfection drives a culture that is dedicated to our craft.
By continually improving our products, processes and technologies, and striving to make the everyday cup of coffee extraordinary.
The quality and freshness of our coffee is our highest priority, setting us apart, and allowing the coffee to speak for itself.

WATER

Our South African team strives to be the best in providing a pure drinking water solution to the world's population. Water is simply something that humans cannot live without, and with the stress now on over population, climate change and pollution; we believe we can offer an extra solution for people to harvest their own pure drinking water directly from source. We know we are providing a valuable resource to our customers, and therefore, have measures and goals on providing high quality machines and a service to match.

GREEN ENERGY

We are dedicated to a commitment of recycling and renewable energy with a specialisation in solar powered energy. We are certified to provide a professional analysis of your electricity consumption and offer an energy reducing alternative.
